Terms and Conditions of Business Agreement

This document is important and sets out the basis upon which we will carry on our business with you. We are committed to providing a high standard of professional service that meets both industry standards and the requirements of the Financial Conduct Authority.

Please read it carefully and we specifically draw your attention to the sections dealing with Privacy and Data Protection, Premium Payment Terms, Disclosure and Insurer Money (Non Statutory Trust Account) as, by accepting these Terms, you are giving your express consent to our actions.

If you are unsure about any aspects of our Terms of Business or have any questions about our relationship with you, please contact us at the above address.

Our Service

Small Business Direct is a trading name of Trade Direct Insurance Services Ltd who are located at Trade Direct House, Ockford Road, Godalming, Surrey, GU7 1RH. The firm is authorised and regulated by the Financial Conduct Authority (FCA). Our Financial Services Register number is 307734 and you can check that we are authorised and regulated by visiting the FCA website at www.fca.org.uk/register or by contacting the FCA on 0800 111 676

We are part of Kelliher Insurance Group, which has its head office at 2nd Floor of John Stow House, 18 Bevis Marks, London EC3A 7JB.

We are an independent insurance intermediary, who acts on our customers' behalf in arranging insurance, we will advise you separately prior to the commencement of each contract if this alters. Our permitted business is advising, arranging, dealing as agent and assisting in the administration and performance of general insurance contracts.

As independent brokers we use both UK and overseas insurers to obtain the best terms and conditions available for our clients. However, the levels of regulation differ in each jurisdiction and if non-EU or non-UK insurers participate in insurance contracts, your future ability as an insured to issue legal proceedings and/or execute judgment may also vary. We cannot guarantee the future ability of any insurer to meet policyholder obligations and therefore the final decision on the suitability of any insurer rests with you.

We operate on a non-advised basis and do not offer any advice as to the suitability of the contract for your needs and in these circumstances you will not receive advice or a personal recommendation from us and you will need to make your own choice about how to proceed.

We select personal and commercial insurances from a range of insurers, but for certain products we only select products from a limited number of insurers or only offer products from a single insurer. We will give you further information about this before we finalise your insurance arrangements.

If we propose using another intermediary to help place your business, we will confirm this to you in good time before any arrangements are finalised.

To avoid any misunderstandings, please give us your instructions in writing (by letter, email or facsimile). In urgent cases, we will of course accept your verbal instructions, but you should confirm those instructions in writing as soon as possible.

Disclosure and Your Compliance with Policy Terms and Conditions

When you apply for insurance for business purposes, or if there is a relevant change to the information during the term of your policy or when you renew your insurance, you have a duty to give a fair presentation of the risk to an insurer. This is one which clearly discloses all material facts which your senior

management, and the persons responsible for arranging your insurance, know or ought to know following a reasonable search of information available. It should include all facts that would influence the judgement of the insurer or that would put the insurer on notice that it needs to make further enquiries.

A material circumstance is defined as:

- Special or unusual circumstances relating to the risk;
- Any particular concerns which led you to seek insurance cover for the risk; and
- Anything which those concerned with the class of insurance and field of activity in question would generally understand as being something that would be dealt with in a fair presentation of risks for this type of insurance.

If you fail to disclose information, misrepresent any fact which may influence the insurer's decision to accept the risk or the terms offered, or fail to make a fair presentation to an insurer, this could invalidate the policy and mean that claims may not be paid in full. Any deliberate or reckless non-disclosure of a material fact may mean that the insurer voids the policy and retains the premium.

If you apply for personal insurance, you must answer all the questions asked of you and provide all the information that is requested. This also applies to your responses in relation to any assumptions you may agree to in the process of applying for insurance cover. You must inform us at any time during the lifetime of the policy and at renewal dates if anything has changed from what you told us when you took the policy out.

This applies whether a proposal form or statement of fact is required by the insurer or not and it is important that you ensure that all statements you make on proposal forms, statements of fact, claim forms and other documents are full and accurate. If a proposal form or statement of fact has been completed on your behalf, you should check that the answers shown to any questions are true and accurate before signing the document.

You should read through all policy terms, conditions and warranties shown on your policy documentation. Please ensure you understand them and are able to follow their requirements exactly. If you cannot, please advise us immediately.

Please note that under the Rehabilitation of Offenders Act 1974 we will not ask you to disclose information about convictions regarded as 'Spent', although some insurers may require such information.

Facts that might be material are those that would affect the insurer's estimate of the risk involved, or if any misrepresentation or non-disclosure of such facts induces the insurer to enter into the insurance contract on particular terms. If you are in any doubt about whether information is material, you should disclose it.

Where applicable you are reminded that it is an offence under the Road Traffic Act to make any false statements or withhold any relevant information to obtain a Certificate of Motor Insurance.

You are advised to keep copies of any correspondence you send to us or direct to your insurer.

Motor and home insurance anti-fraud registers

Insurers share information with each other via the Claims and Underwriting Exchange Register, and the Motor Insurance Anti-Fraud and Theft Register, to aid the prevention of fraudulent claims.

In the event of a claim, the information you supply on the claim form, together with any other information relating to the claim, will be put on the Registers.

Motor Insurer Information Centre (MIIC)

Insurers are legally required to provide details of motor insurance policies to the MIIC. The information describing your insurance cover will be added to the Motor Insurance Database (MID), to which the police and other government agencies have access. This helps in handling of claims following accidents and assists in the detection of people who drive uninsured.

Claims

It is essential that we and/or your insurers are notified immediately of any claims, or circumstances, which could give rise to a claim. When you notify us or your insurers, you must include all material facts concerning the claim. Your policy will describe in detail the procedures and conditions in connection with making a claim and you must comply with any conditions imposed by your insurer.

When we receive notification of an incident that might give rise to a claim under your policy, we will inform the insurer without delay, or direct you to any insurer's claims reporting facility, as appropriate.

Where we handle claims on your behalf we will use our best endeavours when acting on your behalf in relation to a claim, to handle all elements of the claim with due care, skill and diligence. If there is any conflict of interest we will only handle a claim on your behalf after we have disclosed to you all information relevant to that conflict to enable you to decide whether to give your informed consent to us acting for you on that claim and you have given that consent for us to handle the claim. If we cannot resolve the conflict to your and our satisfaction we may have to decline to act for you on that claim.

Where we handle claims on your behalf we will advise you promptly of insurers' requirements concerning claims, including the provision, as soon as possible, of information required to establish the nature and extent of a loss.

Settlement of claims may be dependent upon collection of claims monies from insurers. Part payments may be made during the collection process, but we cannot be responsible for the wrongful non-payment or delay by insurers in paying any claim.

Conflicts of Interest

Occasions can arise where we, or one of our associated companies, clients or product providers, may have a potential conflict of interest with business being transacted for you. If this happens, and we become aware that a potential conflict exists, we will write to you and obtain your consent before we carry out your instructions and we will detail the steps we will take to ensure fair treatment.

What to do if you have a complaint

Our aim is to provide a first class service. However, if you wish to register a complaint, please contact us. We will provide you with a copy of our full complaints procedure and respond to you as soon as possible. We will make a final response to you within eight weeks of receiving your complaint. In the event that your complaint relates to activities or services provided by another party we will ensure that your complaint is forwarded to them immediately and will provide you with full details of that party.

After our final response has been issued or, after eight weeks if we have not been able to settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service for an independent assessment and opinion.

The FOS Consumer Helpline is on **0800 023 4567** and their address is: Financial Ombudsman Service, Exchange Tower, Harbour Exchange Square, London E14 9SR *Website:* <http://www.financial-ombudsman.org.uk/>

A full copy of our complaints procedure is available on request.

Cancellation of Insurances

Insurance Policy; You may have a legal right to cancel your policy for any reason, subject to the type of policy, your legal status and no claims having occurred, within 14 days of receiving the full terms & conditions. You will always be advised where this applies. A charge may apply for the period of cover provided and, in addition, we may make an administration charge detailed below in Costs, Fees and Commissions.

Credit Agreement; You have the right to cancel a credit agreement, sold as a distance contract (ie not face to face) without penalty, subject to your legal status, within 14 days of receiving the full terms and conditions (credit agreement). You will always be advised where this applies.

If you wish to cancel a policy and/or a credit agreement you must advise us in writing, prior to expiry of the 14-day cancellation period, to our usual office address.

Ending Your Relationship with Us

Subject to your immediate settlement of any outstanding premiums and fees (see Costs, Fees and commissions below), you may instruct us to stop acting for you and we will not impose a penalty.

Your instructions must be given in writing and will take effect from the date of receipt.

In circumstances where we feel we cannot continue providing services to you, we will give you a minimum of 7 days' notice.

Unless otherwise agreed in writing, if our relationship ends, any transactions previously initiated will be completed according to these Terms of Business. You will be liable to pay for any transactions concluded prior to the end of our relationship and we will be entitled to retain commission received for conducting these transactions.

The Financial Services Compensation Scheme (FSCS)

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the FSCS if we cannot meet our obligations. This depends on the type of business, the circumstances of the claim and whether you are eligible to participate in the FSCS scheme. Full details and further information are available from the FSCS. The FSCS is the UK's statutory fund of last resort for customers of authorised financial services firms like ours. The FSCS can pay compensation if an authorised firm is unable or likely to be unable to pay claims against it, usually because it has gone out of business or is insolvent.

For eligible claimants, insurance advising and arranging is covered for 90% of the claim, without an upper limit. For compulsory insurances (for example, motor insurance and employers' liability insurance) insurance advising and arranging is covered for 100% of the claim, without an upper limit.

Further information about compensation scheme arrangements is available from the FSCS on 0800 678 1100 or 0207 741 4100 or www.fscs.org.uk.

Premium Payment Terms

We will notify you of premiums due to insurers by sending you a cover/debit note or invoice once we have finished arranging your insurance. This will normally be sent to you within fourteen days from the start of cover. Premiums are due from the moment the insurance comes into force. So that we can settle your premium to insurers promptly, we ask that you pay the premiums due within the terms specified on the cover/debit note or covering letter - this will normally be immediately.

You are responsible for paying promptly, all of our invoices, premiums, duties, fees etc., to enable us to make the necessary payments to insurers in respect of your insurances. For the avoidance of doubt, we have no obligation to fund any premiums, duties, fees etc. on your behalf, and have no responsibility for any loss that you may suffer as a result of your insurers cancelling the policy, or taking any other prejudicial steps as a result of a late payment of such premiums, duties, fees etc. if such delay is substantially attributable to you.

If your policy, or the terms offered to you, contains a premium payment warranty/condition you should pay particular attention to its terms as failure to comply will mean an automatic right to void the policy by the insurer if payment has not been made in accordance with the terms of the warranty/condition.

You may be able to spread your payments through an insurers' instalment scheme, a credit scheme with a third party finance provider, or a facility we have arranged ourselves. We will give you full information about your payment options when we discuss your insurance in detail. In order to be able to offer you credit facilities we have the required permissions from the FCA.

Automatic Renewals

If you have paid by direct debit, debit or credit card we may charge payment for subsequent renewals of your insurance policies to the bank account, credit or debit card details provided. We will write to you in advance of doing so, though if you do not want us to do this you can let us know at any time. For more details about our automatic renewals please call us on 0800 0280 380.

Costs, Fees and Commissions

When we arrange your insurance we usually receive commission from the Insurer with whom that insurance is placed, unless we have entered into an arrangement where our services are provided for an agreed fee. This commission varies by both insurer and type of policy and is solely for our account.

Where we decide to forgo such commission as is offered and agree a fee with you instead that covers our costs and expenses, we will always advise you of the amount before we put your insurance arrangements into force and before you incur a liability to pay such fees. They will also be shown on our invoices to you.

If you are a business customer, we will, if you ask us to, tell you how much commission we earn from your insurer. If the exact amount cannot be calculated, the basis of the calculation will be advised.

With certain Insurers and products the commission obtainable is insufficient to cover our costs and expenses. Where this is the case we may charge a fee in addition to the commission that we will receive from the Insurer. Fees will be shown as such on our invoices to you.

If another intermediary is involved in your insurance transaction they will usually be remunerated by commission included in the premium you pay unless a fee in respect of their activities has been agreed with you in advance.

In addition, we will make a charge to cover the administration and regulatory costs of your insurance of £15.00 for website sales, £20.00 for all other sales up to £500.00 premium and £25.00 for sales over £500.00 premium per transaction, per policy, in respect of document handling relating to your insurance. This charge will be applied for new business; renewals and any change to your policy involving an amendment to your premium. Policies cancelled will be subject to an administration charge of £50.00, in addition to the premium charged by the insurer for the period of cover provided.

We will always advise you of the amount of the charge payable before you become liable to pay it and the amount will be shown separately on our invoices to you.

We may also receive remuneration from premium finance and credit reference agencies and from some Insurers with whom we have profit sharing, or contingent commission arrangements. Such amounts will solely be for our account.

In the event of cancellation of any insurance contract after inception insurers may return a premium to us. Once our remuneration has been earned at the commencement of the contract, our commission or fees will not usually be returnable. We therefore reserve the right to retain our brokerage or fees in full from any return due to you in such circumstances. Insurers may make refunds on a pro rata, short period or other basis according to the type of policy and the length of time in force.

Any costs, fees or commissions received by us in accordance with the terms of this agreement are treated as being exempt from VAT and payments made by us are exclusive of VAT. We reserve the right to issue VAT invoices in the future should this position be altered by action of HMRC.

Client Money (Non Statutory Trust Account and Risk Transfer arrangements)

FCA rules require that all Insurer money received from clients is segregated from our own money so as to provide safety for the client in the event that Trade Direct Insurance Services Ltd is unable to meet its financial obligations. This money cannot be claimed by any creditor of the firm as it is not the firm's money.

Trade Direct Insurance Services Ltd operates a Non Statutory Trust Account for this purpose. You should be aware of and understand that the use of this type of account allows Trade Direct to make advances of credit to settle outstanding items to insurers and clients.

Trade Direct Insurance Services Ltd has entered into formal written agreements with each of our Insurers where those insurers treat money paid to us by our clients as having been paid to them directly. In these circumstances, even if we were to default in paying that money to the Insurer, your position is protected as the Insurer has treated your premium as having been paid to them once you have made your payment to us.

Under these arrangements we are acting as Agent for the Insurer when collecting premiums. Generally these arrangements apply to premium payments only, but may include return premiums or claims payments due to you. Any money subject to this kind of agreement will still be held in our Non Statutory Trust Account so as to provide further protection until those funds have been paid.

By accepting these Terms of Business you are giving your express agreement to Trade Direct Insurance Services Ltd to operate its Insurer money arrangements in the way outlined above.

Any interest earned on any monies held in a Non-Statutory Trust Account will be retained by us.

Unclaimed Client Money

From time to time our clients move addresses or for other reasons lose contact with us. Where this occurs and a balance is due to a client, we will continue to hold that money as client money for a period of 6 years from the date of the transaction. After that period we will cease to hold that money as client money specifically allocated to the relevant client and may transfer it elsewhere. We will continue to maintain a list of transactions affected and undertake to make good any valid claims occurring after the 6 year period.

Quotations

When giving you a quotation, we will have taken due care to ensure its accuracy and, at the time of presenting it to you, we will have a reasonable belief that we can place the insurance at the quoted terms. However, we cannot be held responsible if, for whatever reason, the quoting insurer(s) decides to withdraw his quotation prior to our taking it up on your behalf.

In any event, if the insurance is not taken up within seven days of the date of the quotation, you should check with us that it remains valid.

Money Laundering, the Proceeds of Crime Act and the Bribery Act (2010)

UK money laundering regulations apply to us. There may be occasions where we may request evidence of the identity of clients which may include sight of official documents and evidence of address. By accepting these Terms of Business you agree to provide such documentation as we may require upon demand in order to fulfil any legal obligations we may have.

The Bribery Act 2010 requires us to assess the bribery risks to which we may become exposed and to implement, maintain and enforce anti-bribery policies and procedures proportionate to the risks we face. Hospitality, promotional expenditure and gifts could be regarded as bribes but recent UK Government guidance emphasises that this is not intended to criminalise established and ordinary business practices. Dealings with funds received as a result of bribery could constitute a money laundering offence.

Governing Law & Language Used

The English language will be used for all communications, contractual terms and conditions, and any information we are required to supply to you before and during the duration of the contract. This Agreement shall be governed by the laws of England and Wales and the parties to it agree that any dispute arising out of it shall be subject to the exclusive jurisdiction of the English Courts.

Information on Credit

If you are going to be financing the cost of your insurance and repaying this credit by direct debit we need to provide you with some information about the credit facility. This is in line with recommendations from the Financial Conduct Authority.

Small Business Direct act in the capacity of a credit broker and use Premium Credit Limited to provide finance exclusively. Your personal information and the bank details you provide to us will be passed to Premium Credit and they will contact you via email or text and send PDF or word documents.

More information will be sent to you from Premium Credit but if you have any questions about your instalments, please contact them on 0844 7369836. On renewal of your insurance we will continue to pass your details to Premium Credit unless you instruct otherwise.
